We focus on the law so you can focus on your business.

Ivy Law, inspired by the word ivy meaning evergreen growth, was founded in 2018 by members with legal proficiency and substantial business insights. We follow a simple pragmatic principle. Our team focuses on the legalities so you can focus on what's important to you, whether it's a new product launch, business expansion or day-to-day commercial operations.

Ivy Law provides legal support to companies and individuals for joint ventures, mergers and acquisitions, dispute resolution, regulatory compliance, corporate commercial and other practice areas, for both domestic and cross border transactions. We have worked with clients across a wide range of industries including retail, real estate, hospitality, startups and e-commerce.

The lawyers at Ivy Law have a sound ability to understand commercial requirements of its clients and provide a balanced approach keeping both legal and commercial aspects in mind. Our team assists clients in varied commercial contracts required for facilitating business operations. The corporate commercial team at Ivy Law comprises of highly experienced lawyers and advisors who, through their experience and exposure, seek out for the best interest of their clients while enabling the transaction. Our clients are provided with comprehensive advise not only pertaining to reviewing, drafting and negotiating of commercial contracts but also on statutory compliances and contract management.

Broadly, our scope of work in corporate commercial matters includes:

- Drafting and negotiating commercial contracts with business partners and service providers comprising of varied agreements such as service contracts, vendor agreements, license agreements, franchise agreements, partnership contracts, marketing agreements, business consulting agreements etc.
- Advising on necessary foreign exchange regulations, regulatory and statutory requirements.
- Assisting in handling corporate and regulatory matters of subsidiaries and affiliates registered in India.
- Conducting due diligence and audits, related to statutory compliance and business contracts etc.
- Drafting, updating and vetting existing contract templates such as employment contracts, vendor agreements and service contracts as per the latest legal position and industry practice.
- Advising on legal and statutory compliances and contractual obligations necessary for contract implementation and completion.
- Advising on contractual disputes and answering queries pertaining to contractual terms, company law compliances involving different industries, foreign exchange laws, FDI etc.
- Drafting legal opinions on issues arising out of company operations.
- Conducting training seminars and workshops for the executive management and employees of the business entities.
- Assisting in-house counsels in implementing policies, procedures and business practices as per applicable law.
- Drafting and vetting of company guidelines and handbooks as per applicable law.
- Advising on various corporate governance issues and issues pertaining to the board of Directors.
